

Invitation to the Workshop

“Bad Roads Well Build 2015”

2015 February 13th in Darmstadt

TECHNISCHE
UNIVERSITÄT
DARMSTADT

After the positive feedback of the last years, we are going to organize again a workshop on automotive test tracks with the title “Bad Roads Well Built” in February 2015. We will provide an English simultaneous translation for the first time.

- As discussed at the last workshops:
 - We will offer the simultaneous translation.
 - We organized a larger meeting room (now hall of the Technische Universität (TU) Darmstadt guesthouse, Darmstadt Dieburgerstraße 241).
 - We have to collect a registration fee of 180 € from each participant (except students) to compensate the expenses for translation, room and catering.

As in the last year, we will have the chance to offer a study trip to a real test track on the afternoon prior to the workshop. Daimler Truck PG is offering a visit to its test track in 76744 Wörth/Germany. The visit will start at 2:30 pm and last about 2 hours. **Enrolment is required.** Please inform us with your registration whether you want to participate; then we will send to you further information.

As in the last years, a dinner (self paying) is organized in the restaurant “Sitte” in Darmstadt, Karlstraße 15, at Thursday evening, starting at 7:30 pm.

- Please send your registration latest 20th of January 2015 to <strassenwesen@sw.tu-darmstadt.de> and transfer the registration fee of 180,00 €/person latest 23th of January 2014 to the bank account of Technische Univ. Darmstadt IBAN: DE36 5085 0150 0000 7043 00 at Sparkasse Darmstadt (BIC: HELADEF1DAS). **The subject of the transfer form should include “130302 58200025/1” and your name(s)**, as otherwise we cannot assign your payment. We will confirm your participation as soon as we received your registration e-mail and your payment. If you have problems with bank transfers, please contact us via e-mail <strassenwesen@sw.tu-darmstadt.de>.
